

ROLLER DOOR SHEDS

Introducing a range of strong, custom-built premium quality sheds with wider access for wider stuff.

We use  COLORSTEEL.

Our Roller Door Sheds are not just strong on looks.

Designed for easy access and secure storage, our seriously strong sheds are built to last, and come in a range of Colorsteel colours and sizes, ensuring a perfect fit for your outdoor space.

Built with genuine NZ Colorsteel

ColorSteel® Maxam™ is high quality, durable and low maintenance to resist against harsh NZ conditions, representing the perfect blend of form and function.

Roofline

With a lean-to roof design and an external height of 2.5m over the door, there's plenty of extra head room. Custom heights are also available. Talk to us about your requirements.

Installation included

Our pricing includes installation by our professional team – nice and easy! Built with our timber base/floor or on your existing deck or concrete pad. (Delivery charges apply)

Custom Designs

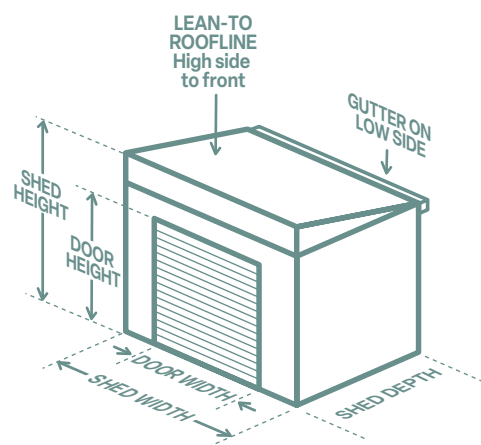

Let us know your size requirements and we'll create a custom design to suit your site and needs. We can customise the length, depth, height, and door width as well as add all our standard options including extra doors & windows to ensure you get the shed that's designed right for you.

Colours

We stock the full range of genuine ColorSteel® Maxam™ colours so you can make a choice that works with your surroundings and reflects your style.

Our Roller Door Sheds all include:

- Installation by our team
- Colorsteel roller door – range of openings from 1.2m wide
- Base: Standard H4 4x2 bearers (upgrades available)
- Floor: H3 18mm Plywood floor
- Full H3 internal timber framed walls
- Gutters at rear (low side)
