

COMMERCIAL SHEDS

Strong, custom-built premium quality sheds to protect your precious tools and equipment.

We use  COLORSTEEL.

Strong and safe commercial sheds designed to suit your unique needs.

Strong, functional and weathertight, Gary's Garden Sheds provide reliable and secure storage solutions for a range of applications including commercial businesses, schools, clubs and many more.

Custom sizing

We can custom build to your specific needs allowing you to get the right fit for your site or equipment storage, with height options available in standard or lowered configurations to provide an ideal fit.

Security

Because security is always a priority, all our sheds are built with strong materials and are professionally constructed. There are options available for security upgrades if required to ensure your equipment is extra safe and secure.

Built with Colorsteel

ColorSteel® Maxam™ is high quality, durable and low maintenance to resist against harsh NZ conditions, representing the perfect blend of form and function.

Door access

A range of door options are available to allow secure but easy access to your equipment. Whether you need large or small access or even an open entrance we can design a fit for your requirements.

Installation included

Our pricing includes installation by our professional team, built with our timber base/floor or on a purpose built concrete pad. (Delivery charges apply, pick up available)

Colours

We stock the full range of genuine ColorSteel® Maxam™ colours to elevate your project.

Quality and Durability

We use high-quality materials and construction techniques to ensure that our sheds can withstand the rigors of daily use, providing your business, school or club with reliable and sturdy storage options.

Please contact us to talk about your project requirements.
